COVID-19 Bulletin 1 April 2020

Covid-19 Interesting things that have come my way this week
These resources are freely available online.
Thank you to my NHS Library colleagues across the UK who have shared many of these with the wider library community.

Thank you to all our HSC staff for your amazing work at this time.

NICE Rapid guidelines
The first guidelines cover care for people receiving:
- critical care
- kidney dialysis
- radiotherapy
- systemic anticancer treatments

Dementia
https://www.dementiauk.org/dementia-uk-coronavirus-advice/

Advice in 35 languages (Doctors of the World)
Covid-19 guidance based on the government’s updated advice and health information
https://www.doctorsoftheworld.org.uk/coronavirus-information/

Staff Wellbeing
(Scottish Quality Safety Fellowship & Open Change) Powerpoint
Stress, Coping and Resilience

Palliative care
Difficult Conversations - Why we need to talk about Dying.

Association for Palliative Medicine of Great Britain and Ireland
(https://apmonline.org/) has range of COVID-19 guidance.

EPPI
COVID-19: a living systematic map of the evidence
In response to the current crisis, we are maintaining an up-to-date map of the current evidence that we partition into broad domains for easy exploration.
